

Line Workers Elmira
Day Shift – Monday to Friday 7am to 3pm
Afternoon Shift – Monday to Friday 3pm to 11pm
Full-time permanent positions

Martin's Processing Ltd. has full-time permanent openings on day shift and afternoon shift at our apple processing plant in Elmira, Ontario where slicing, dicing and dehydrating of apples takes place along with a juicing line for bulk cider.

Reporting to the Shift Supervisor, Line Workers are responsible to work as part of a team to ensure that apple chips are sorted, processed and packed as efficiently as possible with the highest standard of quality. These positions will require team work and co-operation. Some lifting required.

RESPONSIBILITIES:

- Sort through apple slices on a conveyor line standing for extended periods of time
- Sort and grade apple chips for extended periods of time
- Make cases, place bags into cases and label cases appropriately
- Maintain a clean/tidy workspace (sweeping floors, rinsing equipment etc.)
- Assist in other areas as necessary
- Help create a positive work atmosphere and employee morale
- Work safely at all times
- Be punctual and dependable

QUALIFICATIONS:

- An eye for quality and efficiency
- Ability to organize and prioritize workload in a fast-paced environment
- Ability to work well with others in a team environment

Why apply?

- Full-time permanent job
- Reliable working hours (40 hours/week)
- Fixed shift (no rotation)
- Health & dental benefits after waiting period
- Opportunity for advancement

Please note: The slicing and packaging rooms operate at temperatures between 4C to 14C to maintain apple freshness. Most of the shift will be working in a colder environment.

Accommodation is available during the recruitment process for candidates upon request.

If interested please send in your resume to hr@martinsapples.com. Thank you!
